MACHINISTS GIVE THEIR SIDE

Official Statement Issued by Men on Strike Through Press Committee. The Strikers Show What Southern's Proposition Mean.

Knoxville, Tenn., Oct. 2.—At noon Wednesday 900 men quit work at the Coster shops of the Southern railway in this city.

They walked out leaving one man in each shop to look after the tools. Wednesday morning when a passenger train from Cincinnati stopped at Coster, seven machinists and 12 machinists' helpers, all strike breakers, left the train and went to the shops. A committee of shopmen subsequently waited upon Superintendent of Motive Power J. B. Machael and inquired if these men were to be put to work in the shops. Mr. Machael replied in the affirmative. The superintendent's answer spread very quickly, and when the strike-breakers entered the machine shops just before noon, the 900 employees left their work and came to the city.

No demonstration accompanied this suspension of work. Representatives of the shopmen state that the walkout is on account of the general sympathetic views entertained for the machinists who are on strike. Southern railway officials have made no statement as to what will be done.

The boiler-makers working at the Southern shops have declared against a walkout, at least for the present.

At a meeting of the local organization over which its chief executive, L. L. Householder, presided, the situation locally was given a full and free discussion and ended in a declaration that the boiler-makers were satisfied, at least for the present.

The Atlanta machinists, at a meeting held Wednesday, issued an address in which they gave to the public their side of the question. In that address given out by the press committee it is stated:

"The Southern railway would leave the general public under the impression that the company offered in their proposition to the machinists a flat proposition of 1 cent in all the shops on their system. The fact is that the machinists would gladly accept a flat proposition of 1 1/2 cents, and submit the balance to arbitration.

"The real proposition of the company is as follows:

"The company agreed to give the men in the following shops the following advance: Manchester, 1 cent; Lawrenceville, 1 cent; Spencer, 1/2 cent; Columbia, 1/2 cent; Charleston, 1/2 cent; Augusta, 3/4 cent; Atlanta, 1 1/2 cents; Birmingham, 1 cent; Selma, 1/2 cent; Knoxville, 1/2 cent.

"From the above it can be plainly seen by the most casual observer that the above figures would only give us less than 1/2 of a cent increase to the men involved.

"It would be the most unreasonable proposition to expect the men to yield this much at the very start, and trust to arbitration for the balance. Were it a matter of profits, one could deal with safety accept, but where it involves the brains and life of human beings, the proposition is manifestly unjust upon its face.

"We urge the public to suspend judgment in the matter until the evidence is all in.

Sensational Police Shakeup.

New York, Oct. 2.—Probably the most sensational shakeup which the New York police department has ever experienced will go into effect Friday when every captain except one in the five boroughs in the city will be transferred by order of Commissioner Bingham. The changes are made "for the good of the service," the commissioner announced Thursday. The one captain left undisturbed is Captain Schlottmann, who commands the tenderloin precinct. There are 85 police captains in Greater New York.

NEWS FROM ARCTIC EXPEDITION

Letters Were Dated From Port Hope on July 25.

Victoria, B. C., Oct. 2.—Letters have been received from the Anglo-American Arctic expedition which left Victoria on May 20 on the schooner Duchess of Bedford, dated from Port Hope on July 25.

It had not been expected that the schooner would reach this port before Aug. 15. From there the vessel was to proceed at once to Misto Inlet, Prince Albertland, where winter quarters would be established.

The letters say that on July 8 the schooner had a narrow escape from going ashore in Behring Straits during a heavy fog.

While at Teller City the sailing master, Parker, and the cook refused duty, and only, it is stated, when threatened with irons on the revenue cutter Thetis, did they return on board, and then only on the condition that they be replaced at Point Barrow.

A good supply of dogs was secured for the ice trips at St. Lawrence Island. Ice is reported heavy this year, but the explorers were hopeful that they could round the fringer and reach winter quarters at Prince Albertland, where the schooner will be anchored as a depot and a camp will be made ashore.

Chaffeurs on Strike.

New York, Oct. 2.—Three hundred chaffeurs employed by the New York Transportation company, who operate 350 public electric cabs, went on strike Thursday for an increase in wages. As a result nearly all the cabs remained in the big garage at Fifth street and Eighth avenue on Thursday. A non-union man who attempted to take one of the electric vehicles from the garage was shot on by the crowd of strikers and dragged from his seat. He was being roughly handled, when he drew a revolver and fired into the crowd. No one was hit. A big force of policemen, who had been summoned when the trouble began, arrived just after the shot was fired. They charged the crowd and made two arrests.

New York, Oct. 2.—Mrs. Herman Oelrichs of this city Wednesday filed an objection in court to the probate of the will of her late husband, Herman Oelrichs. Her objection is based on the ground that Mr. Oelrichs was not a resident of New York, but of California. Mr. Oelrichs left the bulk of his estate to his brother and sisters.

Cleveland, O., Oct. 2.—Eight men were injured, of them perhaps fatally, in a wreck on the eastern Ohio traction line, near Chagrin Falls, O., Wednesday.

DOCTORS MISTAKES

Age said often to be hurried six feet under ground. But many times a woman can cure her family physicians, suffering as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or over-busy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and poisons. In reality, they are all only symptoms caused by some one disease. The physician, ignorant of the cause of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better, by reason of the wrong treatment, but probably worse. A proper medicine like Dr. Pierce's Favorite Prescription, directed to the cause would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in any condition of the female system.

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

SEVEN KILLED BY EXPLOSION.

Gas Lets Go in a Mine of Cambria Company.

Johnstown, Pa., Oct. 2.—By an explosion in the rolling mill mine of the Cambria Steel company Wednesday afternoon, seven men are dead and two are painfully, but not fatally, injured. Up to the present only one of the dead has been identified. He is an American-born miner, Sampson Luther. It is believed the other dead are all foreigners, as are the injured. The wounds of the latter consist of burns on the back and arms, lacerations of the scalp and other parts of the body.

The explosion took place in heading No. 29, a considerable distance from the ill-fated Klondyke section, where 174 men lost their lives over four years ago.

The exact cause is not known, but it is supposed gas was fired by a blast. All the men had their safety lamps in proper trim, showing that the accident could not have been caused by neglect in that direction. No damage was done to the workings, and the mine will be running soon.

Hewed Body With Axe.

Centreville, Mass., Oct. 2.—Tom Crompton, a negro, was lynched by hanging near here. It is alleged that he confessed to the murder of Ely Whitaker, a farmer. Whitaker was murdered Tuesday, and all Tuesday night a posse of men, suspecting foul play, searched for him. With this posse was the negro Crompton. On Wednesday he begged leave from the searchers to go home, but after he had gone the posse followed him, finding, it is alleged, that instead of going home, he had gone to the spot where Whitaker's body lay, and cutting off the head, arms and legs with an ax, had dropped them into a sinkhole near his cabin.

Possum Hunt Fatal.

Macon, Ga., Oct. 2.—J. E. Hamlin, a young farmer living near Lawrenceville, was killed while out "possum hunting" with several companions. The party cut a tree and when it fell young Hamlin was crushed to death. He was a son of J. C. Hamlin, a prominent farmer of Crawford county. His sudden death in the accident caused deep grief to his companions. He was 19 years of age and was favorably known. Friends who came to Macon to make arrangements for the funeral brought the news of the accident Wednesday morning.

Coleman Drunk; Killed Mother.

Waycross, Ga., Oct. 2.—Chief of Police John W. Colley received a telegram from Florida to keep a lookout for Harry Coleman, who shot and killed his mother, and who, when last seen, was coming in this direction. No particulars of the killing was given, but it is supposed that Coleman was drunk when he murdered his mother. Harry Coleman is a son of the late J. Q. Coleman, and was raised in Ware county. He is a pretty tough character, and has been tried several times for his life, but managed to come clear.

Georgia Man Is Convicted.

Houston, Tex., Oct. 2.—Clarence N. Hughes of Swainsboro, Ga., aged 22 years, who has given banks in all parts of the country trouble during the past several years, was convicted here on three counts of forgery and given two years in each case. He made a plea for mercy and received the minimum penalty in each case. He made an escape from the Colorado state penitentiary, and is also wanted in Alabama, Louisiana, Ohio, Pennsylvania, Maryland, Arkansas, Illinois and probably other states.

Injured by Boiler Explosion.

Davidsboro, Ga., Oct. 2.—The boiler at the ginney of Mrs. J. S. Poston, about a mile from here, exploded, scalding and breaking one arm for Jesse Poston, breaking an arm and a leg for Buck Wicker, a negro, and scalding badly. The boiler blew through the top of a tenant house, plunging itself away and struck the ground 100 yards from where it was stationed. Poston will recover, but there is some doubt about Wicker recovering.
